Re: Closure of Notice of Violation
City of Sibley
Docket No. SDWA 08-2003-0009
PWS ID# ND0200882

Dear Mr. Long:

This letter is to inform you of the Environmental Protection Agency's (EPA) decision to close the Notice of Violation issued March 24, 2003 and not to pursue further enforcement action against the City of Sibley, Docket Number SDWA 08-2003-0009. This decision is based upon EPA's understanding that North Dakota Department of Health has issued an Administrative Order that addresses the nitrate maximum contaminant level violation that the City of Sibley received in 2002.

If you have any questions about this decision please call Jackson Naftel of my staff at (303) 312-6362.

Sincerely,

SIGNED

Diane L. Sipe, Director
Technical Enforcement Program
Office of Enforcement, Compliance
and Environmental Justice
